What an exciting Term 3 it has been and I’m sure we are all looking forward to finishing off the year strong.

I would like to start out by congratulating two students Lucy in 3P and Haajrah in 2B for their efforts in making the Regional finals in Public Speaking last Thursday. It takes a lot of dedication and practice to perfect your speeches and by all reports you represented our school extremely well. Congratulations to our Girls Soccer team who provided our students, staff, parents and friends with a fantastic nail-biter on Monday morning. Even though the girls went down in a count-back on corners, the whole school community is extremely proud of your efforts. All girls have had an amazing run and we commend you all on your commitment to the team with training sessions during your lunch times and after school. Well done to Mr Andrews who led the girls on this amazing journey and thank you for all of the time spent upskilling the team. They have definitely come a long way.

As per last week, our “Study Centre” will be available from 8.00am – 8.40am every Tuesday morning from Week 2, Term 4 (Tuesday 14th October). This is an opportunity for students to ask teachers about any unfamiliar terms or problems they do not understand in regard to their classwork or homework. Students will not be provided work at the Study Centre.

There has been some concerns regarding some families bringing their dogs into the school grounds. As you can appreciate, some students at our school can get quite anxious and have a real fear around dogs. It is asked that if at all possible to leave your dogs at home or at least not bring them onto the school grounds.

It was wonderful to see some familiar faces at the Singleton Park Run on Saturday morning. This is a brilliant opportunity for all people to engage in a healthy lifestyle activity for the whole family and it’s free. You can register online by typing in “Singleton Park Run”. I hope to see more Singleton Public School community members there.

We hope you all have a wonderful and safe spring break and we look forward to seeing your children back at school for a ‘jam packed’ Term 4 on Tuesday, 7th October.

Jonathan Russell
Relieving Principal

This week’s assembly is hosted by Year 6 at the starting time of 12.45pm.

---

**School Crossing Near Miss Register**

All parents and community members are encouraged to register with the school all cases of near misses on the School Crossings on Elizabeth and Hunter streets. The school is working with Singleton Shire Council to develop a proposal to upgrade the safety of these crossings and we need to produce relevant data. When you contact the Office please list the street you were on; the approximate time; and the direction the vehicle was traveling. The Office can be contacted on 6571 2250.

---

**Fete Feedback**

If you have any feedback from Fete Day to make next year even better please drop the P&C a line on the P&C email: singletonpublicschool@pandcaffiliate.org.au
Rugby 10s Report
On Friday our boys played in the annual ‘Digby Rayward Shield’ 10-a-side competition, held at Hunter Valley Grammar School. This competition was divided into two pools with the winner of each pool then progressing into the final. Our boys played well, defeating the hosts in the opening match. They then lost their second match to Scone Grammar School and won their third match against Nulkaba Public School. We finished the day 2nd in our pool-just missing out on a place in the final. The eventual winners of the day were Scone Grammar School.
Well done on a great day boys.
Joel Andrews
Sports Co-ordinator

Soccer Report
On Monday our Girls’ Soccer Team played their Round 6 match against Guyra Central School. From the kick-off I could tell that it was going to be a close match. Both teams were strong and the game was in the balance for a long time. In the first half we were awarded a free-kick from a long way out and Keelie took a great shot and scored putting us in the lead. The second half was very close and Guyra managed to score an equaliser making the score 1-1 at full time. An additional 10 minutes of extra time was played with neither team scoring. As a result the winner was determined on a count-back of who had the most corner kicks during the game- this meant that Guyra were awarded as winners.

Our girls did extremely well to make it to the final 16 teams in the state and were very unlucky not to make it further into the competition. I am very proud of all the girls’ efforts over the year as they gave up many lunch breaks for training and also gave up their time for 2 after-school training sessions. You should all be very proud of yourselves!
Well done on a great year of soccer, girls!
Joel Andrews
Sports Co-ordinator

Year 2 Historic Walk—Thursday 18th September 2014
On Thursday, as part of Year 2’s HSIE topic “The History of Singleton” the students will walk part of the Heritage Walk around town and have recess in Howe Park.

A Day for Jacob
This Friday, 19th September we are holding a mufti day where the children can wear Jacob’ s favourite colours, lime and purple for a gold coin donation. All the money goes to the Moore family to help with the ongoing medical costs.

Administering Prescribed Medications at School
If your child requires to have prescribed medication during school times, you are required to fill out a “Request for administering prescribed medication to the student” form. This form is located on the school’s website under “Permission and Other Notes”. The school staff cannot administer any medication unless we have a copy of this form and the medication is in its original packaging including the prescription label from the doctor.

Parking in Staff Car Park
The school’s staff car park is also used by the taxi’s dropping off our students from the Support Unit as well as parents of Support Unit students. It is not to be used by any other families unless prior consent is given by the School Principal. There is also no pedestrian access via the staff carpark. This is because the safety of our school community is paramount.
Uniform Shop Roster - Week 1, Term 4 2014
Mon 6/10/14 (8.30 - 9.30 am) Public Holiday
Fri 10/10/14 (8.30 - 9.30 am)
Please contact someone else on the roster if you need to swap your duty.

Canteen Roster - Week 1, Term 4 2014
Mon 6/10/14 Public Holiday
Tues 7/10/14 Angela Johnston, Janine Justen
Wed 8/10/14 Kerry Anne Baker, Kellie Della-Ca
Thurs 9/10/14 Tanith Bell, Teresea Mexon
Fri 10/10/14 Jenna Pfeiffer, Robyn Skinner, 1 more helper please
Please advise Nicole Gray if you have any changes to your rostered day.

Information from the DEC

Reduce, reuse, recycle
Australians throw away 3.3 million tonnes of food every year – up to a quarter of the country's food supplies - mainly because we purchase too much. Consider planning your meals and only buy what you need. Reduce packaging in your child’s lunchbox and use re-usable containers rather than plastic wrap where possible. It also leaves our school grounds much cleaner!

Mobile Maths Games
Channel your child’s interest in playing mobile apps into a chance to improve their maths skills and recall. The free School A to Z app has a Maths Monkey game to help test times tables and the follow-up app, Maths Monkey's Quest ($1.99), challenges kids from Yr 2 to Yr 8 with addition, subtraction, ratios and percentages. Both apps are created by the NSW Department of Education and are available for Apple iPhones and iPads, and Android phones and tablets. You’ll find links to both here: http://bit.ly/oSREYV

Credit Card Payment Slip
The school can accept credit card payments (Visa and Mastercard only) over the phone or by mail. Please note, this is not an EFTPOS facility. EFTPOS (Savings or Cheque a/c) can only be paid over the counter.
This facility can be used to pay school contributions, excursions, uniforms or P&C levy etc. The minimum payment is $20.00. Building Fund and Library Fund cannot be paid by credit card.

Permission to Publish Note

The Permission to Publish note was due back at school last Friday, 29th August. The permission to publish is used to publish photos in the school’s newsletter and website or in the local papers.

Please note: If the school has not received your Permission to Publish note back at school, we will assume that you agree to having your child/ren’s photo published in the school newsletter, school website and/or local papers.

Visitors to school

The safety of our students is of paramount importance. Therefore all members of staff wear an identifying badge and all visitors to the school must sign in and wear a visitor’s label. This must be done at either the school office, canteen or the classroom if working as a classroom volunteer. A Working with Children Check Declaration must also be completed.

Garden Club Stall

This Friday, 19th September, the Garden Club will be having their final stall sale for Term 3. The stall will be setup next to the Year 6 classrooms.

Fete News from P&C

A massive big thank you to everyone who participated in the fete. We made an incredible $16,177. The biggest year ever!

We would like to say a big thank you to Apex, Rural Fire Service, Ambulance, SES and Daniel Mead’s group from the Singleton High School for volunteering their time during the day. We would also like to thank Jo Garland from Garlands Engineering for donating the proceeds from the Dog Tag sale.

The table on the right shows a breakdown by stall of profit raised during the day. Congratulations to Mrs Scholes for winning the class competition.

If you have any feedback on the day to make next year even better please drop us a line on the P&C email: singletonpublicschool@pandcaffiliate.org.au

Student Health – Hand, Foot and Mouth Disease

There has been a reported case of Hand, Foot and Mouth Disease (Coxsackievirus) within the school community. Hand, Foot and Mouth Disease is a very common viral disease of childhood which is easily passed from person to person. It usually causes a mild illness. Good hygiene helps prevent infection. Please see the facts below taken from the NSW Government Health website:-

What are the symptoms?
Hand, Foot and Mouth Disease may have no symptoms at all or only very mild symptoms. When symptoms do occur, they include blisters that start as small red dots which later become ulcers. Blisters appear inside the cheeks, gums, sides of the tongue as well as on the hands and feet. Blisters usually last for seven to 10 days. Children can sometimes have a low fever, sore throat, tiredness, feel off colour and may be off their food for a day or two. Very rarely, the coxsackie viruses can cause other illnesses that affect the heard, brain, lungs or eyes.

How is it spread?
Hand, Foot and Mouth Disease is usually spread by person-to-person contact ie, contaminated hands, secretions from the mouth or respiratory system and direct contact with the fluid from blisters. It usually takes between three and five days after contact with an infected person before the blisters appear.

How long do children need to be excluded from school?
Please exclude children from school until all of the blisters have dried.

The Amazing Year 4 Excursion Recount

On Monday the 8th everyone had to wake up at 7am or earlier to get ready for the awesome year 4 excursion. We got on the bus and drove for about an hour and a half. Then we stopped for a break to stretch our legs and go to the toilet. Then we got back on the bus and sang “the wheels on the bus” all the way to Sydney.

Next we stopped near Mrs Macquarie’s Chair to have lunch. After that everyone walked to Mrs Macquarie’s Chair and we saw two men running up some stairs with no t-shirts on and that was weird.

Then we split up into our day groups and walked around the fascinating Botanic Gardens. Then we all went to the Sydney Opera House but sadly we didn’t go inside. We had some lunch and some people just sat on the steps. Other people chased the seagulls and I played tips with my friends.

Then we went to Sea Life Aquarium. It was so cool to see all the great animals, like sea horses, sharks, fish and many more creatures of the deep. Then we got to the place where we were staying, Naamaroo Unitng Care. Everyone found their cabins and some people got dressed and played hand-ball. Then at 7:30 pm we had dinner. There was a person who explained things like that there were possums and even though they looked cute and cuddly they could bite your finger off. He also gave us a drink bottle each. Then after dinner we had a rest for five minutes and when Mr Andrews said it was movie time everyone raced excitedly down to the hall. The movie we watched was Shark Tale and it was cool, funny and awesome to watch. Then we went to our cabins and I was sleeping with my friends Angus, Kobey, Ryan, Troy, Adrian, Whyatt and Logan. But we couldn’t sleep because of Angus because he would NOT stop talking!

But guess what?! Troy and Adrian had started tapping on the wall so that was the 2nd problem. When we got to sleep Troy was snoring. In the morning we had breakfast and we had bacon and eggs, toast and cereal. After a great breakfast we got a cooler to put our lunch in to keep it cool. Then we went to the Sydney Harbour Bridge Pylon Tour. We climbed up the first flight of stairs and then we put our bags in a small room that had hooks for the bags.

Then we went up the stairs with a tour guide called Billy. Near the Sydney Harbour Bridge Pylon shop there was an info board with info about how the bridge was built. The view from the top was awesome you could see all around Sydney. Then we went to the Australian Museum. We had a look around and then went to the Indigenous Australia tour. On the next day we went to Taronga Zoo and it was awesome to see all the amazing animals and the great views.

On the way back we were very noisy and tired from the excursion. Once we stopped at halfway everyone was hungry and going crazy. Once we got back to SPS we were so glad to get back home.

In conclusion it was the best excursion ever.

Sydney Recount

Firstly at 7.30 am we left for Sydney awesome not with a 3 hour drive, luckily nobody was sick if they were everyone would have been. When we arrived at Sydney we had morning tea and went to the Botanical Gardens, hard word to say hey and when we were there we split into our day groups to have a look around. Then we went to the Sydney Aquarium the shark tunnels were my favourite part. After that we went to Namaroo, if you did not know it was the place we stayed at. Dinner was chicken schnitzel and for dessert we had cheese cake with raspberry sauce.

Next morning for breakfast you could have bacon and eggs on toast or cereal. They supplied lunch, morning tea and snacks. First we went to the Sydney Harbour Bridge Pylon Tour on a sign it said 200 steps!!! But we all made it and the view was amazing. Next we went to The Rocks, and we saw a lolly shop making lollies for a wedding and the parts of the lolly they did not need they cut and gave to us. After that it was straight to the Australian Museum we had a look at the indigenous section and the dinosaurs. Finally to Namaroo , dinner was roast lamb with vegetables for dessert ice-cream with caramel, chocolate or strawberry sauce.

Last day!!! For breakfast pancakes with cream and maple syrup. To the zoo and split into our groups most groups saw the seal show and went on the sky safari. Finally home in 3 hours it was so much fun I want to do it all over again!!!

Year 4 Sydney Excursion

Last week Year 4 travelled to Sydney for our 3 day excursion. We left school at 7.30a.m. Monday morning and our first stop was Mrs Macquarie's Chair. Here the students had morning tea and were already taking plenty of photos! We then walked through the Botanical Gardens viewing a range of beautiful plants. The students had lunch on the steps of the Opera House and then headed to the Sydney Aquarium for the afternoon.

The next day we had a Pylon Tour where the students learnt about the building of the Sydney Harbour Bridge and had great views of the harbour! From here students walked through The Rocks, around Circular Quay and boarded the bus headed for the Australian Museum. Here we had a great tour of the Indigenous exhibition and then the students were given free time to explore the museum.

On the third day we went to Taronga Zoo where the kids had a great time viewing a range of animals and riding the Sky Safari back to the top.

Well done to all the students on their great behaviour while we were away. You represented our school well and were complemented on your great manners.

Thank you to the parents who came along and helped make this a successful excursion and to Miss Sullivan who put in many hours of planning to make the excursion possible!

Joel Andrews, Year 4 Teacher
**Infants Athletics Carnival**

The morning of our Athletics Carnival saw fine weather despite the gloomy forecast. Our children arrived colourfully attired in their house colours of blue, yellow, green or red. Excited voices rang out through the playground as teachers prepared themselves for the day ahead.

There was a full day of activities beginning with Grade Heats, Semis and Finals. After a short break we moved on to the Marathon a tradition of long standing at our school. At the completion of the Marathon the children participated in Grade Shuttle Relays which were hotly contested. Then it was time for the Pre-School race followed by the Parent Races.

Children, parents and teachers had an enjoyable day with a bit of competition for everyone. It was pleasing to see so many parents, relatives and friends arrive at the oval to provide support for the children.

A huge thank you to Mr Luke Grainger and Lauren Grainger for attending as our first aid officers for the day as well a thank you to all the parents who helped with the tabloid activities in the afternoon.

The results for the day’s activities are as follows:

Little Athletics will be holding its first official competition evening for the 2014-2015 season on Tuesday, September 16th for the U-6 to Seniors age groups (Tiny Tots will begin when the club returns from school holidays on Tuesday, October 7th). Registrations will be available on the night; Tiny Tots $70, U-6 to Seniors $90, Club Singlets $20. www.stfc.com.au
**Class work by 2Z**

**Girl’s Soccer**

This morning we went to the girl’s soccer game at Howe park. It was fun to watch. Singleton lost and the other team won. It was annoying because there were a lot of bugs. Soccer is fun to play and watch too. I used to play soccer but I don’t go any more. Why? Because I kept getting hit in the face by the ball.

Nathan

**The Soccer Game**

On the 15th September 2014 my class went to the girl’s soccer game. It was one of the best games of soccer in my life. We lost to the opposition which was Guyra. The game was a draw but Guyra won by penalty corners.

Harry

**The Weekend**

My dad played football and they won but my dad popped his knee and he said it hurt. At the end of the game we got a big trophy and they got a medal. After they got the medal the team got on the bus. Dad did not get on the bus because I had a hypo so mum called dad and he ran to The King Street Macca’s. It was so bad but I am ok now.

Hugh

**The Weekend**

My friend went for a sleepover at my house. We played Nerf guns at the park. First thing I had to do was team up with my friend because my brother Jeremy had a powerful gun. Jeremy won. Then there was a magpie trying to swoop us. It was gone and then we were safe.

Max

**Soccer**

On Monday 15th September 2014 we went to watch the girl’s soccer. Singleton got the first goal. After a second half Guyra scored a goal. It was one all Singleton and Guyra. Both almost got a goal but they didn’t. At the end of the game both teams had one goal each so it had to go to how many corners? Guyra won because they had more corners.

Even if Guyra won Singleton still had fun.

Kaeli

**The Athletics Carnival**

On Friday we went to Cook Park for the Infants Athletics Carnival. I am in Gordon and we won the Relay. I came third in my 70 metre heats, third in the semis and last in the finals.

Next we had the Marathon and I came sixth.

I had an enjoyable day.

Jake
