Welcome all to Week 6. It was a busy end to Week 5 with two students in 1H, Lilian and Lily, displaying improved reading and writing skills. It was amazing to see the improvement in just 5 weeks. I also had the pleasure of Brock in 3S explain his artwork that took him two days to complete. Congratulations to all of the students and keep working hard to produce quality in your classes.

As part of the Hunter Mining Show our students competed in a Tug-of-War competition against the other Singleton schools last Friday. The students performed unbelievably well going through the competition undefeated. Congratulations to the whole team. We look forward to you representing our school on Saturday, 14 March against Singleton Heights PS in the Grand Final.

Our Positive Behaviour for Learning (PBL) team meets every fortnight to discuss positive ways to enhance our students in the playground and the classroom. The PBL team has purchased two new signs displaying two students asking the question “No Hat? Play under the COLA!” This is linked with the school’s Sun Safe Policy. It enables students who have forgotten their hat to still be able to engage in physical activity at lunch and recess.

It is an exciting time for Aboriginal Education at Singleton Public School. A committee made up of staff members, parents, community members and High School staff met on Monday to discuss improving learning and cultural outcomes for Aboriginal students at our school. At present we have 35 proud Aboriginal or Torres Strait Islander students at SPS who will be developing Personalised Learning Plans in Week 8 in consultation with their parents and teachers. A huge thank-you to Miss Sullivan who is leading the Aboriginal Action Team.

Don’t forget the P&C AGM and meeting is on tonight. This is an exciting time for our committee with all positions becoming available and new candidates being elected. There will be a full wrap up of our P&C committee next week. I am looking forward to seeing people there.

Information from the DEC
Reading with your child at home
When your kids see you reading and writing in everyday life – whether reading for pleasure, sharing a story with them or making a shopping list – it teaches them that they are useful skills. Here are some things you can do at home to help your kids with reading.

Removing head lice and nits
Mention head lice and most of us instantly develop an itch. While head lice and nits, (the eggs of head lice) are certainly annoying and persistent, they're not dangerous. Here's everything you need to know to rid your kids of head lice and nits.

Australian Government Assistance for National Capital Excursion

Students from our school will soon be undertaking an educational tour of the national capital. While on this tour they participate in a variety of educational programmes focused on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit their National Capital as part of their civics and citizenship education. To assist you in meeting the cost of the excursion the Australian Government is contributing funding under the Parliament and Civics Education Rebate (PACER) programme toward the travel expenses incurred. This contribution will be paid directly to the school upon completion of the excursion and has already been taken into account for costing.

We would like to thank the Australian Government for their support of this program.

Activities undertaken as part of the educational tour include visiting:

* Government House
* National Capital Exhibition
* Embassies
* Australian War Memorial
* Questacon
* Australian Institute of Sport
* Old Parliament House
* Australian Electoral Education Centre
* Telstra Tower
* Royal Australian Mint
* CSIRO Discovery
* Parliament House

We hope that the excursion is a rewarding experience for all students.

EnviroMentors Workshop

Each year the school participates in the Enviromentors Workshops which are run in conjunction with Keep Australia Beautiful NSW and Singleton Council. They are free workshops for selected classes (eight free workshops are run) and cover environmental issues. They will be run on Tuesday, 21 April and Wednesday, 22 April.

NAPLAN Information

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. It has been an annual event for schools since 2008.

On Tuesday 12, Wednesday 13 and Thursday 14 May, students in Year 3 and 5 will take the 2015 NAPLAN tests.

NAPLAN assesses skills in literacy and numeracy that are developed over time, through the school curriculum. NAPLAN is not a pass or fail type test, but rather shows how students are progressing in numeracy and literacy skills against national standards for all Australia children. It also provides valuable information that allows schools and governments to better target effort and support to help all students achieve their potential and acquire the basic skills to help them build successful and happy lives.

All students are expected to participate in the tests. Students with a disability may qualify for reasonable adjustments that reflect the support normally provided to them in the classroom. Some students with very specific circumstances may be exempted from participating in the tests. For information about participation in NAPLAN, you can go to: http://www.nap.edu.au/naplan/parent-carer-support/parent-carer-support.html

NAPLAN tests fundamental skills rather than specific content, and as such is not a test for which students can study or drill. The best way you can help your child prepare for NAPLAN is to let them know that NAPLAN is just one part of their school program, and to urge them to simply do the best they can on the day. The use of services by coaching providers is not recommended.

An individual student NAPLAN report will be issued by the school later this year. Parents can use this information to monitor how their child is progressing and to identify any areas of concern. Parents may also wish to use their child’s results to discuss progress with teachers. More information is available at www.nap.edu.au.

Congratulations to our Tug of War Team

Last Friday, our wonderful school ‘Tug Of War’ team successfully beat some of the local schools in the area. The children, Chloe Schultz, Georgia Woodley, Ivy Chapman, Kowhai Carroll, Tairawa Carroll, Wairua Carroll, Ryan Murray and Harry Moore thoroughly enjoyed themselves and put in 100% effort! It is to be noted that a number of parents from the small schools that competed, complimented the SPS children on their beautiful manners and caring natures. As we topped the rankings we have been invited to the Tug of War final that is being held on Saturday, 14 March at 2.00pm at the Civic Centre Park. We will be against Singleton Heights Public School. Go SPS!!!
Cricket Report

Last Wednesday our Boy’s Cricket Team played their Round 1 match against King Street Public School. King Street won the toss and chose to bowl. Our opening batters, Harry and Aaron, made a great start with a score of 0/56 after the first 8 overs. Harry retired on 41 runs; Ethan made 23 with the bat along with good contributions from all of our batsmen giving us a score of 4/127 after our 25 overs.

King Street then batted and got off to a bad start losing a wicket in the first over. They too had an opening batsmen retire on 40 runs making it a very close match with the game coming down to the very last ball! Unfortunately King Street won by just 4 runs!

I was very proud of the great sportsmanship shown by our students and enjoyed seeing the encouragement they were all giving each other on the field.

Well done on a very close match.

School Assemblies

Assemblies are an important part of our whole school organisation. The coming together of students is vital to developing relationships, co-operation and cohesiveness across grades and classes as well as providing an opportunity for classes to share the work that they have been doing.

Whole school assemblies are held in the school hall on Fridays. Assembly time and organising classes are advertised in our weekly newsletter. Our parents, guardians, grandparents and friends are welcome to attend.
**School Cross Country**

**Date: Wednesday, 11 March (Week 7)**

To help the school make selections for the Zone Cross Country, all students in Years 2-6 will be taken to Cook Park on Wednesday, 11 March to compete in the cross country run. Children will run/walk in their age group for the appropriate distance (2km or 3km). Selections for the Zone Carnival will be based on these results.

Students and staff will leave school at 9.20 am and return to school by 11.10 am. Children must bring a bottle of water, hat, sunscreen, medications and appropriate footwear. There is no cost as the children will walk to Cook Park accompanied by teachers.

There is no permission slip needed for this event as students should have already handed in their 2015 General Permission Note which covers walking to Cook Park.

**Students are to wear school uniform (not house colours).**

Please ensure that your child’s Medical Information Sheet, which was sent home at the beginning of the year, has been returned to the class teacher. Children are not permitted to leave the school grounds unless this form has been returned.

---

**University of New South Wales Tests**

Each year the University of New South Wales offers students across the world the opportunity to participate in a number of tests across a number of curriculum areas for children in Year 3-12.

These tests are the International Competitions and Assessments for Schools (ICAS) and occur through the year. A new ICAS test is developed annually for each subject in each year level by our team of subject matter experts.

All ICAS tests are reviewed by experienced teachers to ensure that they accurately assess students’ skills and are relevant to what they are learning at school. Each test is sat at the student’s school and is invigilated by teachers under normal examination conditions.

This year we are offering for any interested children from Years 3-6 the chance to participate in the following UNSW competitions:

- Digital Technologies (Computer Skills): Tuesday, 19th May
- Science: Wednesday, 3rd June
- English: Wednesday, 28th July
- Mathematics: Tuesday, 11th August

Each of these tests costs parents $8.80. If you would like your child or children in Years 3-6 to participate in any of the tests please complete the form below and return it to the school by **Monday, 23 March**. Unfortunately we will be unable to accept late entries.
