Welcome everyone to Week 3. It has been a whirlwind to the start of the term however, all students are back into their routines and set for some high quality work.

Students in Years 3 and 5 will be focused on their NAPLAN testing this time next week. These tests give the students, parents and teachers an indication to what the student has learnt and where the school can support the learning of each student for the future. Good luck to all of our students and we only ask you give your best efforts during next week.

Next week will also see our Year 6 students represent Singleton Public School in Canberra. This excursion is definitely one you all will remember and cherish for the rest of your lives. A huge thank you in advance, to our Year 6 teachers and parents, who have given up their families for the week. However, I’m sure you will be extremely busy with 50 students of your own. Enjoy your time and learn all that you can from the experience of visiting the nation’s capital.

The whole school community is really looking forward to Movie Night this Friday night. I would like to acknowledge the hard work of the P&C committee to make this event happen. Gates will open from 5pm and all students need to be accompanied by an adult. The movie will start at 6pm. Tickets are selling all week from the Uniform Shop between 8.30am-9.30am. So come on down and watch the ‘Lego movie’ with the family. It will be “Awesome”.

Good luck to our students who will be representing the school and the Upper Hunter Zone at the Hunter Cross Country carnival on Friday. I’m sure you all have been practicing well in the mud which will set you in great stead for the racecourse at Broadmeadow.

A reminder for all willing parent volunteers who would like to attend tonight’s P&C meeting starting at 7pm in the library. All are welcome to attend!

Relieving Principal

**P&C Family Movie Night**

The tickets for the Family Movie Night on Friday, 8 May are on sale at the Uniform Shop from 8.30 to 9.30 am each morning this week (4-8 May) at the price of $5 per adult - kids free.
**Zone Touch Trials**

Last Wednesday night some of our students travelled to Aberdeen to trial for the Upper Hunter Zone Touch Football Team. The Boys' and Girls' teams did very well in cold conditions winning most of their matches.

From our two teams we did exceptionally well to have 3 girls and 1 boy selected from well over 100 students.

Well done to Chloe, Jules, Sophie and Campbell who all made it into the Upper Hunter Zone Touch Football Team.

Thank you also to the parents who drove students and stayed in the cold on Wednesday night.

Joel Andrews
Sports Coordinator

**Family Movie Night**

A big thank you to Glencore who are our major sponsor for the family movie night which is being held on Friday, 8 May. Tickets are on sale at the Uniform Shop this week from 8.30-9.30 am each day.

**Visiting Science Show**

On Monday, 4 May the students enjoyed an exciting show by Chris Howe a biochemist. Chris explored the various science strands with clever hands-on experiments using everyday items from around the house. So, if you can’t find the vinegar, yeast or the bicarbonate of soda at home, then there’s a good chance your child is conducting an experiment.

Pictured below is Chris making Elephant’s toothpaste, this happens when yeast reacts with hydrogen peroxide.

**Enrichment Class Year 7 2016 at Singleton High School**

Last week all Year 6 students received a nomination form for Singleton High School, enrichment class for 2016. Candidates are required to complete the nomination form by Wednesday, 13 May with payment of $20.00 for the placement test and return to Singleton High School’s front office. **Year 5 Opportunity Class 2016**

There are 75 primary schools with opportunity classes across NSW eg, Rutherford Public School, New Lambton South Public School, etc. If your child is seeking placement in a Year 5 opportunity class placement in 2016, the application process has begun. Successful students attend the opportunity class full-time for the duration of Years 5 and 6 at the primary school with an opportunity class. It is a two-year placement program. In the majority of cases students who accept a place in an opportunity class will leave their current school to attend the school with an opportunity class. Parents normally apply when the students are in Year 4. There is no provision to apply for Year 6 placement.

Important dates are as follows:
- **Monday 27 April 2015**: Online applications open
- **Friday 15 May 2015**: Online applications close
- **Tuesday 19 May 2015**: Principals’ processing site opens

Year 4 and 5 Girl Talk

A BIG thank you to all of the Year 4 and 5 parents of girls who sent back their expression of interest notes for the program GIRL Talk! Below is information about GIRL Talk ©.

Susie Blackwood, who is a registered nurse – midwife, has been invited to present GIRL Talk in Term 3 on Thursday, 3 September.

GIRL Talk © is a 90 minute presentation that provides an explanation and practical discussion about periods (menstruation) and personal hygiene. To achieve this there will be a relevant overview of puberty. It will identify and explain the purpose of reproductive body parts, leading to discussion on keeping safe (child protection) with a simple explanation of sexual intercourse and birth.

GIRL Talk © has been designed especially for Year 4 and 5 girls. The girls are encouraged to bring along their mums/carers.

This program provides an excellent opportunity for the students to ask questions and to discuss sensitive topics in a safe environment.

DATE: Thursday, 3 September 2015 starting at 9.20 am. Cost will be mother/carer with one child is $18.00 and extra siblings/adults are $10.00 each (eg: a mum with twins would be $28.00). One child only is $15.00 then $10.00 for each additional sibling.

Permission notes will be sent out closer to the date.

P&C Report

At the last P&C meeting on Wednesday, 1 April we discussed the status of our ongoing discussions with Council regarding hazardous traffic conditions around our school. Following our most recent discussions with Council, I am pleased to see that the Council have done some work to the crossings in Hunter and Elizabeth Streets. We plan to keep liaising with Council to see what other improvements can be made, in particular to get the best outcome for the planned installation of flashing School Zone signs in August this year. We also discussed a Development Application submitted to Council for a proposed 24 hour service station and convenience store in John Street (on the former Betta Electrical site). Submissions were due on 17 April, so some P&C members worked very hard to put together a submission at short notice outlining our concerns about the impact of the proposal on our school, in particular on traffic congestion and pedestrian safety. We hope the high quality of our submission sends a strong message to Council that we remain concerned about traffic conditions in Hunter and Elizabeth Streets and the safety of our students.

Planning is well underway for our Outdoor Family Movie Night on Friday, 8 May. Bring your family along to see the LEGO movie for only $10.00 per family and have a sausage sizzle and some snacks from the candy bar with a chance for mum to win a lucky door prize in time for Mother’s Day. Tickets will be on sale at the Uniform Shop from 8.30am to 9.30 am, Monday to Friday, 4 to 8 May. P&C members have been busy getting sponsorship for the Movie Night and we are pleased to have sponsorship commitments from Pirtek Singleton, Expressway Spares, All Seasons Hunter Pools and Woodfires, One Agency Lindy Harris – Singleton, and Kiddicare child care and babysitting agency. We are still looking for volunteers for a few jobs on the night, so if you can help out please call Robyn on 0447 392 504.

Thanks
James Skinner
Singleton Public School P&C Association-President.

Statement of Account

Each term the school send home a financial statement to each family. The Statement of Account may include “Voluntary Family School Contribution”, “P&C Voluntary Levy” or payments for excursions.

The “Family School Contribution” refers to the voluntary contribution scheme that all public schools operate. This is a very low $60.00 per family per year. This money goes to providing the everyday resources needed in classrooms - pencils, paper, books, teaching aids, counters, craft supplies, reading books, etc, available to every child. Payment of as little as $2.00 per week is possible if you prefer.

The P & C Committee asks the school to collect a $10.00 per child per term (or $100.00 per family per year) “Voluntary P&C Levy” on their behalf. This is also shown on the Statement of Account. Although it is a voluntary contribution to the P&C, it is shown on the school invoice for bookkeeping reasons. This levy was introduced as a means of fundraising instead of organising stalls such as mothers’ day and fathers’ day stalls to make it easier for already busy people. In 2014, the P&C donated funds towards air conditioning, projectors for smartboards in the classrooms, library books and literacy resources.
Eggs from the School Chickens
Free range eggs are now available for $5 per carton.

Library and Information and Technology News
This term our learning focus in the library across the whole school is Digital Citizenship. Digital Citizenship examines how people use and interact through the use of digital technology. All classes will be undertaking lessons that enhance awareness, knowledge and skills in relation to Digital Citizenship. Areas of learning include: internet safety, privacy and security, relationships and communication, cyberbullying, digital footprint and reputation, self-image and identity, information literacy and creative credit and copyright.

Many of our lessons will be based on resources from Common Sense Media, a great site providing information for parents, students and teachers. The site can be found using the following link.
https://www.commonsensemedia.org/

Students will often bring an information sheet home each week relating to the topic they have covered in their lessons each week. Please take the time to read and discuss the sheet with your family.

We hope that you discover great ways to safely use the digital technology available to you.

Benita Van Der Wel, Librarian

Stewart House
Stewart House donation envelopes have been sent out to all of the eldest children. If you wish to make a donation and be in the running to win a $4,000 holiday, please place money in the envelope and return to the office by Wednesday, 8 May 2015.

Life Education Van Visit
The ‘Healthy Harold’ Life Education Van will be at Singleton Public School from Friday, 29 May to Tuesday, 9 June 2015. All classes will visit the van in separate sessions over this period. Each grade follows a different program so it is important for children to participate each year. The programs address many of the components and objectives within the NSW PD/Health/PE curriculum. A brief outline of the program contents is:

Early Stage 1 - Kindergarten - “Harold’s Surprise”
Stage 1 - Year 1 – “Harold’s Mystery Tour”
Stage 1 - Year 2 – “Harold’s Heroes”
Stage 2 - Year 3 – “Harold’s Diary”
Stage 2 – Year 4 – “Mind Your Medicine”
Stage 3 - Year 5 – “On the Case”
Stage 3 - Year 6 – “Think Twice”

The cost is $10.00 per child. Permission notes have been sent home. Notes and money must be paid to the class teacher no later than 12.30 pm on Monday, 25 May. This enables the office staff to compile reports of payment for the class teachers. Please contact the Kerrie Burns in the school office if you are in need of financial assistance – all enquiries are strictly confidential. The Hunter Life Van is covered by Supercover, so if you have paid Supercover there is no need to pay for this event. A schedule of when each class is attending will be in the newsletter in the coming weeks.

HAROLD PRODUCTS - A separate form is attached to the permission note with a list of the items that children can purchase directly from the van. The money for these purchases must be put in an envelope with their name, class and what they want to purchase and sent in on their allocated day. Any separate tax deductible donations, as per the form, (not including the $10.00 per child entry) is to be by cheque made out to Life Education NSW and attached to that particular return slip. We will forward it on to Life Education and they will forward you a receipt.

Parking on School Grounds
Parents and carers are reminded that driving in or parking on school grounds is not permitted unless prior permission has been obtained. This includes the car park area adjacent the Support Unit to drop students off for school. This can cause considerable problems as this area is designated for taxi transport of students in the Support Unit. Please do not use this entrance as a walking thoroughfare, it is for vehicles only.
SINGLETON PUBLIC SCHOOL

Excursion to see Matilda The Musical 2015!

The magnificent musical, Matilda, will be showing in Sydney at the Lyric Theatre from August 2015. Singleton Public School has arranged an excursion for the children in Years 3 – 6. The date of the performance we will be attending is Wednesday 26th November at 1pm. We will leave school at approximately 8.00am, eat lunch at Darling Harbour and then attend the matinee performance at 1pm. The bus will return to Singleton at approximately 5.30pm/6.00pm. The cost of the excursion will be $58 and includes the ticket and bus fare.

The children will be accompanied by teachers. Should there be a short fall in the number of students that would like to go, we will offer the tickets to the families of the children attending.

Tickets will be issued on a strict “first come, first served” basis and will be on sale from the Parentage verandah from 8.30am on Tuesday 25th May.

Any musical is always a magical experience however Matilda is exceptional, a real must see for any child.
