There are a number of great events occurring in our school this week as we celebrate Education Week, Book Week and NAIDOC Day. Our students are involved in performances, science shows, art displays, band workshops, cultural awareness activities and much, much more throughout these five days. As always we encourage parents to come along and support your children’s efforts and be amazed by the depth of talent and skills that our student display.

**Looking for something to do tonight?** Why not come along to the KAOS Festival (Kids Active On Stage) which is a show produced by the local Public Schools showcasing the artistic talents of our students. The performance will be held at King Street Public School commencing from 6:15 with a BBQ available from 5:45pm. It only costs a gold coin for each person to enter (performers are free).

Our P&C is looking for more members to assist with activities throughout the school fete. Our fete is the largest fund raiser for the school and is a day that all students eagerly look forward to; however the support and assistance of more parents and family members is required to ensure a wide range of activities can be provided.

The impact of our P&C can be seen each and every day at our fabulous school through the improvements to our playground equipment, the supply of technology and air conditioning in our classrooms, the updating and resourcing of the Library, through to the Uniform Shop, Canteen and Breakfast Club. All of these things are made possible by the support and drive of the P&C.

The next meeting of the P&C will be on Wednesday 5 August commencing at 7pm in the school library – all interested family members are welcome!

Next Monday (27 July) we will be holding our Kindergarten Information evening in our Kindergarten classrooms. The information presented provides an overview of our school, outlines the Kindergarten curriculum and explains the transition processes for the rest of the year. If you have a child that is age ready for school please ensure that you have contacted the ladies in the front office to ensure that your interest is registered.

A very warm welcome to Natasha who joins our school from Victoria. I am sure that she will quickly make many new friends at Singleton Public School.

Construction Zones

A number of areas in the school are undergoing much needed repair work. Whilst all efforts will be undertaken to minimise disruptions to our students unfortunately there will be some interruptions and disturbances.

The three classrooms above the Library have been updated with new walls replacing the old sliding doors. Additionally, in each of the three rooms, new pinboards have been installed which will provide a great display area as well as assist with noise reduction. Finally each of the rooms are due to have a new coat of paint to provide a brighter, fresher learning environment.

Concurrently the floor of the Uniform Shop has been found to be beyond repair due to rising damp and will be replaced. Mr Kirchen has been working with Nicole Furness and Robyn Skinner to relocate the shop to a temporary location between the front of the canteen and the back of the Library. In the meantime the sales will be processed at the canteen.

I am unable to provide a timeline for the expect conclusion of this work but will endeavour to keep everyone well informed as details come to hand.

If your child is working on a personal project or a school assignment, don’t forget www.SchoolAtoZ.com.au has lots of information and fact sheets to help with homework.

For students polishing their spelling skills, the free Spelling Bee mobile app also allows them to record a list of their own words and then test themselves. You might even want to challenge them with a list you create. Here’s where you’ll find the free app to download: http://bit.ly/Q9ez0G

It will then be sent to the office in our black bags.
Exciting News – Full edition of the newsletter online from Term 3

From Term 3, the school will be publishing the full edition of the school newsletter online. This will include photos that were previously removed for internet publishing.

Therefore as per the Permission to Publish notes that were sent out last year and earlier this year, all parents that either returned a Yes response or did not provide any response, will have their child’s photo published without the need for further permission. The children whose responses were received as “No” will not be published and will still need to be removed or photos not take of these students.

The Permission to Publish notes have been be sent home again to the families for who the school has received no response.

Statement of Accounts

During the first few weeks of each school term, the school sends home Statement of Accounts. These accounts were sent home last week and may include outstanding voluntary School Contributions and voluntary P&C Levies. Other items that may be listed on these Statement of Accounts throughout the year include excursions, sports carnivals, visiting shows, etc. Thank you to those families who have already paid. The invoices were printed on Friday, 26 June so please disregard if you have made any payments since this time.

Installation of flashing lights near Singleton Public School

The NSW Government has provided funding for the placement of school zone signs with flashing lights at all schools by the end of this year to alert motorists of the 40km speed limit required during school drop off and pick up times.

Installing these flashing lights in schools zones has been shown to improve driver awareness of the need to travel at a lower speed to ensure the safety of children and others coming and going from the school area.

Roads and Maritime Services is delivering this safety initiative and plans to install signs outside Singleton Public School eastbound on Elizabeth Street on Friday, 24 July outside of 40km school zone hours. Work will take up to two hours to complete, weather permitting.

Lights are installed on pre-existing poles or new poles are put in place if needed.

Partial lane closures may be in place while work is carried out to ensure safety of road users and workers. There will be some noise associated with this work, but every effort will be made to minimise these impacts.

For more information about the flashing lights program please visit the Centre for Road Safety website at www.roadsafety.transport.nsw.gov.au/stayingsafe (go to the schools section) or contact the team on 1800 726 958 or flashinglights@rms.nsw.gov.au.

Year 4 Sydney Excursion

The Year 4 excursion for 2015 is a three day trip to Sydney. The excursion will be from Monday 24 to Wednesday 26 August.

The final cost has been established as $320.00 per student and $320.00 per adult attending the excursion. Therefore if you have paid the $50.00 deposit, there will be a balance of $270.00.

The total payment amount for the excursion is due by Friday, 7 August. Please let us know if circumstances have changed and your child will not be attending.

Thank You Bunnings

Our library recently received a wonderful donation from the Singleton Bunnings Warehouse. They have kindly made and painted this fantastic bench seat with a built in bookshelf. Our students think it is fantastic.

Thank you to Vicki Griffin and the great staff at Bunnings Warehouse Singleton.
Canteen News

There will be no spaghetti bolognaise available until the canteen gets their new freezer.

Volunteers wanted - please see Nicole in the Canteen.

P&C Report

On the last day of term two a canteen freezer stopped working after 13 years. I am very grateful to Nicole Gray and her volunteers on the day (Kim Carter, Paula Stokes and Mandy Ward) for their hard work to salvage the frozen food, in addition to doing the last day of term canteen cleaning. At the last P&C meeting we agreed to buy a new double-door commercial freezer with glass doors for the canteen. In addition to the new freezer, we also need a new oven for the canteen. The P&C applied to Ashton Coal for a donation, and Ashton Coal were very pleased to donate funds for a new oven! We are very grateful to Ashton Coal for supporting our school canteen and the wonderful work that Nicole Gray and her volunteers do to provide healthy lunches. The P&C have put a lot of thought and effort into the purchase of this new equipment to make it even easier for volunteers to help with preparing healthy lunches. We are again short on canteen volunteers on Mondays and Fridays, so if you would like to come and try out our fancy new kitchen equipment please contact Nicole Gray in the canteen.

While The Uniform Shop floor is being replaced, uniform sales will be run from a new temporary location between the library and the canteen. The entry is in front of the canteen and then follow the signs. Many thanks to Nicole Furness, Sue-Ellen Carmen and Robyn Skinner for their work in relocating stock to the new location. A new batch of polo shirts have arrived so we now have all sizes available.

The P&C have had a very successful year so far, and it is very rewarding to be a part of. The Secretary position on the P&C Executive Committee is vacant and we are seeking a secretary. The secretary’s role is to minute meetings, manage correspondence in and out, and generally keep the school community informed about relevant P&C information. The executive are committed to providing good support to the incoming secretary– you won’t be thrown in at the deep end!

There are plenty of other opportunities to get involved in the P&C and share your ideas. The school fete on 4 September is a highlight of the school year and is our major fundraiser. Our next fete planning meeting will be held on Friday 24 July at 2pm in the library and our next P&C general meeting is Wednesday, 5 August at 7pm in the library. Hope to see you there!

Thanks
James Skinner – President, Singleton Public School P&C Association
